rar is a compression program not a security program andrew: what rar, and when? a security app is used to encrypt/decrypt. gpg is encrypted, but won't... be available to anyone. gpg is software to encrypt data they can be used interchangeably andrew: "rar -e filename" then. encryption might be a goal? my point. zykotick9: yes, i see what you mean i think i got it thanks andrew: if you use "rar -e filename" then it will tell you the password. if you want to encrypt the data... use "gpg" instead of "rar" andrew: ;) cheers! can anyone help with an ubuntu installation issue boot error 17 ubuntu server 12.04 tried everything online, cannot boot ubuntu is installed on sda3 partition Guest39231: if you can't get to a virtual terminal (if you don't know what that is, is'n't a good thing to know!), then you might want to "try ubuntu" (hit F6 and select nomodeset) to see if you can get in. !nomodeset | Guest39231 Guest39231: A common kernel (boot)parameter is nomodeset, which is needed for some graphic cards that otherwise boot into a black screen or show corrupted splash screen. See on how to use this parameter Well, today's cool and I'm on the "live" ubuntu I installed the other day, so I'm having this trouble all over again tried that and still the same error Anyway, I think I'm SOL. I've just been testing for a half-

Gta Iv Free Download For Pc Full Version Rar Password GTA 4: Grand Theft Auto IV: Complete Edition - the new part of the best-selling series in the history of video games - returns to the roots of the genre. In GTA 4, for the first time in the series, cars, buildings and the world around them affect the player's behavior and his route. As the player progresses, the complexity of missions also grows - in some tasks he must make decisions that change further events. GTA 4 has a driving school, and for the first time in the series, you can drive a motorcycle. fffad4f19a
