centre of controversy as
new complaint is made
against instructor who

was reported to the university to be using her position to help her boyfriend win a job. Nicole Rioux, a second-year student at the University of Calgary, was recently told she could be expelled from the school. Her

boyfriend, Michael Doherty, has been cited for "harassment" in a separate incident involving another instructor at the same university. According to the report written by school counsellor Stephanie 2d92ce491b
