Shogo: Mobile Armor Division all Reviews Sidney 5.4 Aaron 5.0 Weeb 5.0 Just because we all like giant robots. By Sidney on May 19, 2018 Best game ever I've spent many hours on this game, and the story is so beautifully written and developed. The character design is awesome and how beautifully animated. The gameplay is so addicting. The combat system is amazing, I've got over 50 matches on my best character. There are so many secrets to unlock, and everytime I beat the game the storyline keeps expanding. The final boss is so awe-inspiring and thrilling to fight. I honestly can't find anything to critique in this game. By Aaron on Dec 26, 2018 so good I bought this game at the get together for a year and a half ago but never played it and my brother and sister play it on their phones and they love it so I just had to By Aaron on Dec 27, 2018 this game is really good I played this game for a few years on my phone and was a little disappointed when I didn't find it anywhere on Google anymore. So, I decided to pick this game up at the same time I found it on Google Play and I am honestly glad I did. The story is really interesting and there are so many different types of missions you can do. By Weeb on Dec 23, 2018 Amazing game Been looking for this game forever, I finally found it and this game is great the story is really good and it has awesome graphics and gameplay. I give this game five stars because it is well worth it. By Sidney on Apr 6, 2019 Shogo: Mobile Armor Division Really good game. Love the story. The game is an action-adventure game with some RPG elements. I would definitely recommend this to anyone who enjoys playing games that are good for more than 2 hours. Well worth playing.Q: Get current position of Scrolled text area I am using a scrolled text area widget in my GWT application. The problem is that I want to know the current position of the scroll bar which is on the right. I want to write code to send certain number of values 2d92ce491b
