mpg Why is there no invoice for the electricity that I am paying, right now? Is there any billing system? Because we are 3 months online, and I am still not seeing any bills at all. I don't even know if the electricity was actually used. What is the best way to file the exact amount of expenses I have? The electricity bill is not part of the mobile phone and broadband bills. I have been told I can do this manually. When I try to manually add the electricity bill to my mobile or broadband bills, it will not show the exact amount. It does not show the exact amount of my monthly bill, but only the total amount. What is the best way to add a new expense to my electricity bill? I want to know how to add the exact amount of my monthly bill. This is not possible to add it manually. Because I am using data from 2 months before this month's mobile data and broadband bills, I cannot add this amount to my current mobile and broadband bills.
