Category: Minecraft texture packs Advertising 'Call of Duty' Announced as Sledgehammer Games' Newest Game Call of Duty®: Advanced Warfare is a game that defies expectations, shifting the series forward while staying true to the core values that have maintained Call of Duty's position at the top of the shooter genre for the last 15 years. It is an emotional, visceral and boundary-pushing thrill ride set in the 22nd century, where our hero - as we've seen in the game's new intro cinematic - is framed for crimes he didn't commit. The central character, Alex Mason, serves as Call of Duty's first ever protagonist who is black. And Alex Mason will not hold back. He'll engage enemies in urban environments, in the wilderness and on a space station. He will run, crawl and drive forward to survive, escape and combat. Alex Mason will make you feel fear and exhilaration like never before. The intensity of the experience will be emphasized with intensity-based gameplay that challenges players with new enemies, new weapons and new experiences.

You'll play through one of the most well-detailed, graphically-advanced games in the franchise's history, with breathtaking emphasis on mission variety and an immersive, war-ravaged environment. Fans who purchase the game will get more than just the core game experience; they will also receive a digital copy of the Sledgehammer Games title, *Dead Space 3* and the downloadable content for *M.A.S.S. Warfare*. *Call of Duty: Advanced Warfare* is currently in development for PlayStation 4, Xbox One, Wii U and PC, and will ship in 2014. The game will be released worldwide for PlayStation 3, Xbox 360 and Windows PC on November 6th, 2014. Please sign in to your FIFA.com user account below. This will allow you to make the most of your account with personalization, plus get access to commenting tools, exclusive games, the chance to win cool football prizes and much, much more. Show your support Some of the best photos and videos of the magnificent World Cup 2014, which is now in its closing stages, will be displayed at the FA's new England base in Waltham Abbey, Essex. A number of images show the FA's heroes – from England's record goalscorer Wayne Rooney, to their
