### Muzli 2 Crack+ [Updated] 2022

Muzli is a community powered new tab page for the Chrome browser. The service was founded by Andrej Karpathy and Tom Mitchell and the platform is still considered as one of the best place for news, ideas and inspiration. Muzli 2 is an extension that will help with stimulating your creativity. If you'd like to be up-to-date with the latest trends in design or simply want to have something interesting display in your new tabs page, this add-on could very well satisfy that need. In this tiny package, you'll get news from around the world, interactive material and plenty of shots to admire from within your browser. Choose what Muzli 2 will show you The first step in enjoying this application is selecting the right content to have displayed in your new tab. The options vary from design and inspiration to technology, coding, and culture. The variety is indeed astonishing. It's also worth noting that you can select one option or all. It's all up to you. In the end, the more the merrier. You can also select individual sources if you've got any in mind. Customize the new tab experience The most intriguing of all features has to do with the ability to customize the way your new tab looks. While other similar extensions are thinking of implementing a customization feature, this one already has it included. Select things like view arrangement, default feed and search, color theme and time format. Everything you change about the look of your new tab will contribute to making your browser's look a little more unique. The various entries displayed will be grouped under different headings. Muzli 2 is an extension most individuals might find intriguing. While the functionality it offers is not that interesting, the content it offers, on the other side, is fresh and interesting. Make sure you enjoy the content offered through this add-on and never miss anything interesting in the world, be it news, designs, discoveries or any other revolutionary fact the world might come up with. Muzli 2 Description: Muzli is a community powered new tab page for the Chrome browser. The service was founded by Andrej Karpathy and Tom Mitchell and the platform is still considered as one of the best place for news, ideas and inspiration. Muzli 2 is an extension that will help with stimulating your creativity. - \* Full support for Feedly and all Feedly sites.
- \* Bug fixes.

Easy Music Player is a music player extension that brings you some simple features and some smart functionality. First, let's talk about the features it provides. The extension offers you a simple media player that plays any music file through your browser and lets you stream them. You can put this media player to good use to listen to music anywhere on the web without having to search for a song or open a new tab. The extension also allows you to share music tracks with a simple click. You can then post to different social networks or save it in your own media library. You can also easily stream it through social networks such as Twitter or Facebook. Easy Music Player is a very simple extension that can work well in your favor and help you to easily navigate music. Keep in mind that it's not the most extensive one, but it can get the job done quite well. There's nothing more you can expect from it.

**KEYMACRO Description:**

- \* Stream music
- \* Share tracks
