Aug 6, 2018 There is, at the moment, no mod manager for Rome: Total War. There's nothing the game doesn't offer out of the box to anyone with access to the internet. It's just a plain vanilla digital purchase, and no mod loader. Now if you look at the game's storefront on Steam, you'll find a new version of the Total War Rome 1 mod loader for \$6.59. This . Oct 12, 2018 If you're looking for the new CA-launcher, sorry, it's not out yet. We're still ironing out the issues with the launch. We anticipate a launch soon. We are sorry to hear that the number of the picture on the cake on its front that says "Congratulations, we are having baby boy" was not accurate with the invitation. Please advise if you have any other comments such as time and date of delivery. We will check it, and if the cake was already eaten or if the number is still correct, we will get back to you with the change. We will let you know right away. If you have any other questions or concerns, we will get back to you as soon as possible. Thank you, Ani Ani Yussuf 55cdc1ed1c
