The 2020 Ford Fusion delivers an appealing combination of style and power in a wide range of trim levels. Fusion is a nameplate for the primary North American line of Ford vehicle models. The line includes sedans, coupes, convertibles, trucks, SUVs, and vans. Ford uses the nameplate for several lines of vehicles based on a single platform including the Ford Explorer, Lincoln MKC, Lincoln Continental, Lincoln Navigator, Lincoln MKZ, Lincoln Aviator, Lincoln Navigator, Lincoln Aviator, Ford Fusion, Lincoln MKZ, Ford Edge, Lincoln Navigator, Ford Mustang, Ford Escape, and Lincoln Navigator. The Fusion line is also built in Asia by Ford Japan and in Europe by Ford of Britain. The Ford Fusion nameplate was introduced in 2011 after a reorganization of the Ford brand. Ford's Lincoln brand previously marketed a similar vehicle but chose not to renew its partnership with Lincoln Motor Company after its acquisition by Ford in 2010. In 2012 Ford reduced the Ford Fusion production facilities in Fort Wayne, Indiana and moved them to the company's factory in Hermosillo, Mexico. , , , , 2020 fusion version 18 cracked .
