Democrats of sowing division by 'downplaying progress' on election security The Hill's Campaign Report: Arizona shifts towards Biden | Biden prepares for drive-in town hall | New Biden ad targets Latino voters Why Democrats must confront extreme left wing incitement to violence MORE (I-Vt.) said that he has seen "no evidence" that President Trump Donald John TrumpHR McMaster says president's policy to withdraw troops from Afghanistan is 'unwise' Cast of 'Parks and Rec' reunite for virtual

town hall to address Wisconsin voters Biden says Trump should step down over coronavirus response MORE was sexually assaulting women, adding that more evidence could come out. Sanders was asked during CNN's town hall on Thursday night whether he believes Trump was committing sexual assault. "I don't know," he responded. "I have seen no evidence that he's been accused of that or there's been a credible allegation made against him," Sanders said. ADVERTISEMENT

He added that it's "a pretty serious accusation," and said he has not read the recent allegations made against Trump by more than a dozen women that have been published in The New York Times and The Washington Post. "I have no idea," he said. When asked by CNN's Anderson Cooper if there's a possibility that Trump was not a serial sexual abuser, Sanders said, "I think there's a likelihood." "It's a pretty significant situation," he said, adding that he could not judge a

president or a person. "But I think it's very hard to take that kind of a stuff on a president and especially if you're as president as a commander in chief of the United States," he said. "The president has to handle the most important issues that we face and some very serious allegations are being brought against him," Sanders said. "I 648931e174
