What's New In LingvoSoft Talking Picture Dictionary 2008 German - Arabic?

The LingvoSoft Talking Picture Dictionary 2008 German - Arabic is developed to help any learner of German to easily memorize new words and to understand words for the first time. Of course, this easy-to-use interface will also improve your long-term learning performance. The LingvoSoft Talking Picture Dictionary 2008 German - Arabic is a pictogram-based instruction - a method that has been proven by several million people and which has been available for a long time in form of help-counters. This method is easy to use, effective and time-saving - for example, you just picture the pictogram of the word you want to memorize and select the word and so on. This avoids the learned word with its different translations, which are often wrong and which would often hinder your learning. The complete database includes over 1000 words. In addition to the pictures you can also use the native-speaker provided pronunciation. The features of LingvoSoft Talking Picture Dictionary 2008 German - Arabic include:-

- Features 100% of the pictures in the database- with no copyright-problem. Please click here to find the terms of use.
- Full access to the database- including the latest words from previous English-German-Dictionaries
- Easy installation and configuration
- Customizable interface to your liking
- High-definition digital voice-overs
- Extensible: You can add thousands of newly memorized words for many languages in the LingvoSoft Collection
- Easy access to pronunciation, flashcards, phrases, dictionaries, spell-checker, timer and other tools
