References Category: Athletics at the 2012 Summer Paralympics Menu Thursday, January 14, 2015 Time to Think Out of the Box The 2014 wave of immigrants are soon to be Americans, but the new naturalization process has a lot of paperwork. So, this week the new presidential administration is looking at ways to speed up the citizenship process. One of the biggest problems is that the process is too manual. But there is an easy fix. If we are going to get this done, we should look at taking advantage of technology, but not going overboard. If I am putting together a new smartphone, I want to be able to do all the adjustments, etc, on my PC. It's the same logic here. It's a good idea to

Quest, The Hero's Journey, in order to be set free to undertake the Heroine's Journey.Q: Updating drawable using build.xml doesn't work I'm trying to update my drawable folders but it doesn't work. The code is on the bbb in the comments. What I want to achive is to have the drawable-hdpi folder to have a new image. So I did the following: I created a config.properties file in drawable-hdpi: hdpi=./images/leftArrow.jpg The project compiles. But the image is not updated in my device. Does anyone see what's wrong? And in my layout:
