

All the game's core game modes including Career, Online Seasons and more have been enhanced with these new features. Gamers can also play on-field with both new player-controlled teammates and managers, and hone their skills in new match variations such as one-on-one, three-on-three and goalkeepers challenges. We have previously released a hotfix for the PlayStation Store version of FIFA 22 to resolve the most prominent issue of the game which was related to game crashes. We are continuing to work on a further patch to address a few gameplay issues that have come up throughout the lifetime of the game. However, on the request of certain users, we are releasing another hotfix today to provide a fix for the issues that were reported during the week leading up to the game’s release. As a result of this, certain game modes and gameplay elements that were introduced in the first week after launch, may not be available for play until the next update is released. The hotfix is for the PlayStation®4 version of FIFA®22 and Windows version of the game. It addresses issues such as the inability to invite certain players to your friend’s Matchday gameplay, instances of game crashes on certain, previously working, resolutions, and on resolution that was updated in the current hotfix. The following issues can be resolved by applying the hotfix listed below: FIX – Friends invite issues FIX – Log in error when accessing profile (Xbox) FIX – Game locks on New York re-build FIX – Game glitches on resolution that was updated in current hotfix FIX – 3p team selections on some resolutions (including PS4) FIX – Game ignores some player feedback FIX – Game freezes on Xbox FIX – Game renders in the background when viewing matches FIX – Diplomacy icon is replaced with “Zonal Co-Ordinates” FIX – Unable to invite certain FIFA Friends to matchday gameplay FIX – Sender is unable to send a message or invite FIX – Game freezes on resolution that was updated in current hotfix FIX – Player renders “invisible” FIX – Goalkeeper is unable to perform thumping FIX – Player is unable to move diagonally when shot blocked FIX – Ability to invite certain FIFA Friends to matchday gameplay FIX – Game will not advance once a match has commenced FIX – In-

FIFA stands for football, international football. This is one of the oldest video games, having been developed in the 60’s and 70’s, and it was a series that was sold to a number of professional teams, including Liverpool Football Club in 1986. It went on to become one of the best-selling sports games ever, and to this day remains as one of the most popular and most played video games in the world. FIFA sits, in the eyes of the world, at the centre of football - the passion, the belief, the vuvuzelas and the colour of the game...FIFA always brings the soul of football to life. "FIFA is a great feeling to play. You don't play, you are part of the team. You are the fans on the pitch." Michael Owen, England and Liverpool FC, 1997-2004 But when it comes to football, EA SPORTS delivers the ultimate football experience. FIFA is powered by the core elements of football, ensuring that every aspect of the game is based on real game moments and experiences - taking you into the heart of each moment as you engage directly with your opponents and with the game. This is why FIFA is the biggest football game on earth. With over one billion players, FIFA is the biggest sports game around, and the most popular football game of all time. "I hope that I played my last game of FIFA." Joleon Lescott, Manchester City It’s football. It’s everything we know and love. 1. Get in the World Game Over four seasons of coaching, training, and tactics, you'll build a team of players to master your way to the top of the FUT game. FUT Season Edition is packed with gameplay improvements and new features. FUT Season Mode gives you the chance to face only your friends online. If you are not a FUT Season member, a Season Pass unlocks 8 additional FUT Seasons that can be played consecutively. 2. Master the tifo You’re not just playing the match - you’re part of the crowd, shouting with the supporters, pulsing with the tempo. When EA SPORTS FIFA 22 launches, you’ll be able to experience the intensity of your favourite moments in the most authentic way around.
